## ≡ How to play ≡

This is bingo with an outdoor twist. You need to complete all your activities as quickly as you can to win.

1. This game is for between two and six players. Just cut out a card for each person (you can print a page twice if needed).
2. Pick somewhere outdoors to play like a park or woods.
3. Once you're there, hand out the cards and announce the start (no peeking beforehand).
4. The first person to complete every square and shout BRRR BINGO is the winner and deserves a hot chocolate with extra marshmallows.

## Player 1

Make a leaf snowstorm	Jump in a puddle	Forage for a seed or nut
Spell out your name in rocks	Balance on a log/rock/tree trunk	Race someone else with this square

Carefully cut out a card for each person playing

## Player 2

Race someone else with this square	Make a stick sculpture	Find a bug and give it a name
Copy a sound you hear (like a bird)	Balance on a log/rock/tree trunk	Find three different leaves
